### FILLY WINS EPSOM DERBY

TAGALIE IS VICTORIOUS IN THE GREATEST OF ALL ENGLISH RACES.

Jaeger Is Second and August Belmont's Tracery Is Third. While H. B. Duryea's Sweeper II., the Favorite. Makes Disappointing Showing.

London, Eng., June 5.—In the presence of a vast concourse of people, which included King George, Queen Mary and other members of the royal family, the nobility of England. France, Germany and turfmen from all lands, twenty horses started in the berby at Epsom teday and at the end of the race W. Raphael's gray filly, Tagalie, by Cyllene—Tagale, was first, with L. Neumann's bay colt, Jaeger, by Eager—Messange second and August Belmont's brown colt, Tracery, by Rock Sand—Topiary, third. The American jockey, J. Reiff, rode the winner. The favorite, the American-bred colt, Sweeper II., with D. Maher up, failed to stay the route and was unplaced.

with D. Maher up, failed to stay the route and was unplaced.

Sweeper II., from an opening price of 3 to 1, was backed down to 3 to 2 at post time. Tagalie's post price was 100 to 8, Jaeger's 8 to 1 and Tracery's 66 to 1. Tagalie took the lead directly after the start and held it throughout. When the horses had gone a half mile. Orchestrion was second and Jaeger third. At Tattenham Corner Jaeger had become second and Mordred third. Here Sweeper II. was fifth, but was not responding to Maher's vigorous urging and was plainly a beaten horse. Coming into the straight Tagalle led by five lengths, followed in order by Jaeger, Lorenzo. Jingling Geerdie. Sweeper II. and Pintadeau. Here Tracery passed all but the two leaders and finally Tagalie won in a canter from Jaeger by four lengths with Tracery two lengths behind Jaeger. The time of the race was 2:3845.

American disappointment over the failure of Sweeper II. will in a measure be mitigated by the fact that another American-bred colt was one of the three placed horses in the great race of all races. The winner is the fifth filly to gain the proud distinction of winning the Epsom Derby, the other four were Sir C. Bunbury's Eleanor in 1801. W. L'Auson's Blink Bonny in 1857. Duke of Westminster's Shotover in 1882, and Chevalier Ginistrelli's Signorinetta in 1908. Tagalle had previously won the One Thousand Guineas and now seems a sure winner of the Oaks tomorrow. Besides the Oaks she holds engagements in the Coronation Stakes and Fifty-ninth Triennial Stakes at Ascot, Eclipse Stakes at Sandown Park, Nassan Stakes at Goodwood, the St. Leger and the Doncaster Stakes at Goodwood, the St. Leger and the Doncaster Stakes at Goodwood, the St. Leger and the Doncaster stakes at Goodwood, the St. Leger and the Doncaster that be seen that. If all goes well with her, Tagalie has the opportunity of becoming the greatest money winner of the year in England and may do so. The fact that she is a gray in color is another circumstance that give Tagalie's Derby an unusual point of interest that will be much discussed in English turf papers.

As usual, Mr. Respess has some promising foals this season, and his yearling crop is also a good one, although he has more fillies than colts.

### ENGLISH JOCKEY SCORES AT MONTREAL.

Rider from Across Atlantic Wins Wilson Challenge Ymir and Horus Beat Older Horses in Handicap at Cup on Luckola at Blue Bonnets.

Cup on Luckola at Blue Bonnets.

Montreal, Que., June 5.—The Wilson Challenge Cup, a steeplechase over the two and a half miles course, for Canadian-owned horses, was the attraction offered by the Montreal Jockey Club this afternoon. There were five starters and three of them finished the long journey without mishap. The winner turned up in Luckola, an outsider, which led from the start and cantered home with a margin of fifteen lengths. Annum, which ran coupled with Buckthorn, was second and Wickson third. Luckola was ridden by George Pearce, a lad that arrived from the other side of the Atlantic a few days ago. Pearce showed that he was a capable horseman and he is a welcome addition to the ranks of the cross-country riders here. Pearce was an apprentice in Tom Sherwood's stable and rode a number of races in England and Ireland. The showing of Bockthorn was disappointing. The horse fell in the ditch at the Liverpool and it was with some difficulty that he was gotten out.

The second and third races furnished stirring contests with the winners first home by the smallest of margins. Cliff Stream displayed greai courage in his race, fighting it out with Inspector Lestrade throughout the last three furlongs. Ambrose, who had the mount, could probably have won with the other horse. This lad is the most promising apprentice here. He also piloted the winner of the first race, Orowoc.

Albert Simons announced today the engagement of jockeys Ambrose and Butwell for the Whitney stable is especially strong in two-year-olds and it was necessary to secure good riders to handle them.

Larry Carey, agent for the Beverwyck Stable received word that the great racer, Sir John Johnson, had arrived safely in Hamilton. Harvey Boyle will have charge of Sir John Johnson until the regular stable trainer arrives at Haupilton, which will probably be on Monday next.

John W. Schorr has decided to retain Froglegs for the Hamilton Derby. He was thinking seriously of shipping the celt to Kentucky for the Latonia Derby, but was afraid that

In order that this petition may be submitted to the voters at the coming presidential election, under the provisions of the State Constitution, it is necessary to have eight per cent. of the registered voters, or about 35,000 registered electors, sign the petition. Already steps have been taken to have these petitions sent to all the counties in the state.

### DERBY CANDIDATES SHOW UP WELL.

Coeur d'Alene Track.

Spokane, Wash., June 5.—Three favorites, two second choices, and one outsider accounted for the card at Alan this afternoon. The chief race on the program was the Idaho Hotel Handicap at one mile. Four Coeur d'Alene Derby eligibles were among the contestants. Including Ymir and Horus, which finished first and second. Sticker and Nadzu, the Bedwell entry, ruled first choice. Sticker raced out in the lead, followed by Lady Rankin until well down the backstretch, when Republican made an effort to get to the front. He met with interference in rounding the first turn and was rushed up to the leaders too quickly, with the result that he tired badly in the last quarter. Ymir ran steadily throughout and stood a drive gamely in the final eighth.

E. J. Ramsey, who has been bidding up horses with great regularity, advanced Maromara \$300 over her entered price of \$600 and H. G. Bedwell let her 20 at that figure.

I. D. Bogan returned here today with his bride, laving recently been married at Los Angeles to Miss Margaret Cook of Falmouth, Ky. Mr. Bogan has charge of the extensive racing interests of C. W. Clark, the California millionaire.

### RULES OF MUTUEL BETTING IN FRANCE.

Pari-mutuel betting having originated in France, and in the course of time secured the recognition and protection of the French government as the only authorized method of betting on the race tracks of France, it has necessarily resulted that minute rules have been formulated providing for all contingencies attendant. In view of the fact that mutuel betting is now popular and flourishing in this country, and Canada, Daily Racing Form has secured a literal translation of the French official rules governing pari-mutuel betting, and here they are verbatim:

Regulations of the Pari-mutuel.

Article 1. All persons who make a wager by the

Begulations of the Pari-mutuel.

Article 1. All persons who make a wager by the pari-mutuels bind themselves to submit to the provisions of the following rules:

Article 2. Wagers can be made in distinct ways as follows: First, for the winning horse: second, for placed horses one and two, when there are four horses taking part, and 1, 2 and 3 when there are eight of them. The transactions made in the different ways are collected together by the kind of wager and by the enclosure and totalized in such a way as to obtain a uniform share for each kind and for each enclosure.

Article 3. The price of the investment is established by multiples of 5 francs—it cannot be less than five francs.

Article 4. Money is not repaid at the wickets.

Article 5. When an owner starts several horses in one race, the winning parl-mutuel treats these horses separately and the distribution makes itself coupled. If one or more stable horses do not present themselves at the starting post, the stakes are refunded.

Article 6. The distribution of tickets for each

the case. Each of these shares is then divided according to the investments made on each placed horse.

If for any reason whatever, a horse posted as a starter, does not present himself at the starting post, the distribution is calculated only upon the number of horses present under the orders of the starting judge.

If the number of starters becomes insufficient to allow the distribution on two places, all the wagers for placed horses are annulled and reimbursed.

When there is no horse placed second or third, or when one or several of the placed horses are distanced or disqualified, the distribution, whatever may be the number of places for which wagers have been made, applies only to the horses that have been placed by the judge. It can then result that the distribution is reduced, according to the case, to two horses and even to one single horse.

Article 12. In the case of dead heats between two or several horses, should the purse be or not be divided, the distribution takes place as is stated in the preceding article for the placed horses.

Each new test will be made the subject of new and distinct wagers.

Article 13. Winnings are not paid except on the presentation of winning tickets. If a ticket is lost, witnesses or other methods of proof cannot take its place. Any ticket cut, torn or blotted in such a way as to render unrecognizable one single mark upon it, will not be paid.

### THE MANAGER WINS AGAIN

LATONIA DERBY CANDIDATE RUNS HIGH CLASS RACE IN OVERNIGHT HANDICAP.

Concedes Weight to Good Opposition and Comes Close to the Track Record for Three-quarters-Mark A. Mayer Scores at Long Odds.

Cincinnati, O., June 5.—The attractive racing card provided at Laionia this afternoon was responsible for the best mid-week attendance seen at that track in years. Incidentally there was a greater amount of betting than formerly, and the sport was immensely enjoyed. Thomas C. McDowell's crack three-year-old, The Manager, again came into the limelight by a grand performance in winning the handicap in fast time from speedy opposition. He was giving away a great deal of weight to his opponents by the racing scale, but he held sway for the entire running, and finished first by a good margin. After the finish he was sent on an extra quarter at top speed in preparation for the Latonia Derby, and concluded the mile in 1:39%.

The opening dash resulted in victory for Helios, winner of the Breeders' Futurity. The Camden colt sprinted into a long lead in the first quarter. Pericles might have finished a second, but for taking a swerve at a critical period, which enabled Frederick L. to pass him.

The consistent Yorkville added another to his list of successes by winning the second race. The third race brought out the longest priced winner of the meeting in J. C. Milam's Mark A. Mayer, which paid his few backers better than 70 to 1 for their investments. The closning race furnished the principal upset of the afternoon by Console's failure to figure among the placed horses. Sister Florence, Spindle and Belfast dividing the purse. E. R. Bradley took another purse when Bell Horse beat Sandhill and Presumption in the fifth.

MAKES LOUISIANA PROSPECTS APPEAR POOR.

### MAKES LOUISIANA PROSPECTS APPEAR POOR.

The Associated Press sent out the following dispatch from Baton Rouge yesterday:

"That horse racing in Louisiana has little chance of being resumed was shown by a poll of the lower house of the general assembly yesterday when a majority of the members of that body expressed themselves as opposed to the bill introduced several days ago, providing for the restoration of racing in New Orleans. A petition asking that members of the house vote against any racing has been circulated in that body by Leon Locke, author of the antiracing measure of four years ago."

Another report from Baton Rouge says:

Another report from Baton Rouge says:
"Sixty-six representatives have agreed to vote against the proposed bill to restore racing in Louisi ana. This action kills the movement recently started to revive racing in this state."

The committee that took a prominent part in the campaign that led to the enactment of the Locke law was called together at New Orleans a day or two ago and formulated plans to oppose the repeal or amendment of that law. Archbishop Blenk was among those in attendance and took a prominent part in the proceedings.

The Protestant Ministers Association is also making an active fight against the proposed legislation,
